Monthly Members' Meeting			✓	✓	Major members can participate in special monthly meetings with IAC instructors. During the meetings, specific subjects are selected by the members in order to discuss them in more depth. Examples of topics discussed during meetings are: Intrusion, Evolutionary Duo, Energetic projection and more. The meetings are held monthly alternating between English and Spanish. In these meetings there will also be practical exercises and discussions of participants' experiences. The meetings are an excellent opportunity for us to study and evolve together. In order to participate in the meetings the student must have completed Module 2 (CDP2).
IAC friends support				✓	Sponsor members are friends of IAC who wish to provide a greater support for the IAC. Member's contributions are of vital importance to support the work and research. The IAC is a non-profit organization and the vast majority of its work is performed by volunteers worldwide. IAC's studies aim to deepen the understanding of human nature and the broad scope of human abilities to expand consciousness and evolution.
